

It's a hill – get over it!

National Hill Climb Champion Adam Kenway sets winning time and helps raise £1000 for Grindleford and Eyam Playgroup.

But first the rising stars of the future took part in the inaugural Track Stars event – 36 children ranging in age from 2-11 rode the newly mown grass track – thanks to the dedicated volunteers who battled with scythe, mower and strimmers – the kids loved it. There were prizes for 1st place courtesy of **High Peak Cycles** and random spot prizes donated by **Halfords**. The really littlies found the 'hill' a bit of a struggle but still managed great times. U10 and U12's did 2 laps. Winning times in seconds were:

Name	Time (s)	Category
I. Hayes	71.94	U4
J. Stephenson	60.28	U4
C. Allaway	35.72	U6
A. Campbell	33.36	U6
A. Burnip	29.26	U8
J. Weston	28.64	U8
M. Richardson	60.01	U10
T. Marshall	48.30	U10
B. Heason	45.61	U12

Up at the hill there was a great atmosphere as live music from Ruby Stephenson and the sizzle of food on the BBQ filled the air. Our stall holders were busy too - **Woskow Brown's** watt bike competition was a hit, **High Peak Cycles** were sorting out last minute mechanicals and **Activ Physio** were massaging those sore muscles.

There were some outstanding performances too - here are the winning times:

Position	Name	Time (m)
1 st	Adam Kenway	06:34
2 nd	Andy Nichols	06:44
3 rd	Nicolas Latimer	07:21
1 st	Rebecca Goodson	08:29
2 nd	Anita Canell	09:37
3 rd	Em Pantoja	10:29

Winners received prizes from our sponsors **High Peak Cycles**. Local man, Nick Latimer, won the free MOT donated by **Mount Pleasant Garage**.

Photos from the event show the effort needed to get to the top – determination etched on the rider's faces.

But once it's over – phew what a relief and riders can roll on down to the **Sir William** for a tasty burger and well-earned pint.

A special thanks to all the volunteers who helped on the night and the local businesses who donated our wonderful spot prizes.
