

Tool talk – loppers

- These are loppers.
- This is the handle.
- This is the blade.
- This is the cutting edge.
- I stand with the loppers like this.
- I walk with the loppers like this.
- I pass the loppers like this.
- When I use the loppers I use them two arms and a tools length away from anyone else.
- I use the loppers to cut wood thinner than a two pence piece.
- I have bare hands on the tool.
- When I am not using the loppers I put them down with the handle facing forwards and the blade facing behind me.
- When I have finished with the loppers I put them in the designated place.
