

Grindleford and Eyam Playgroup

Welcome

We are delighted to welcome you and your family to pre-school!

We are a small family friendly setting who believes in meeting the child where they are and encouraging them towards the future.

To this end, many opportunities are afforded the children - established routines and environment, baking, crafts, stories, forest school and the allotment are to name but a few!

There is a wonderful staff team who are all experienced in child development and during your child's early days at playgroup, one of the team will be allocated as your child's key worker. This person will get to know your child, through time spent with them and observing them as they play and interact, plus the information you share with us.

We are in the setting at all times and oversee the smooth running of pre-school. If you have any questions or queries, please do not hesitate to speak to one of us.

We all look forward to seeing you when your child begins their journey with Grindleford and Eyam Playgroup.

With love,

Sophie and Pauline
