

043 Complaints procedure

Statement of intent

Grindleford and Eyam Playgroup believe that children and parents are entitled to expect courtesy and prompt, careful attention to their needs and wishes. We welcome suggestions on how to improve our pre-school and will give prompt and serious attention to any concerns about the running of the pre-school. We anticipate that most concerns will be resolved quickly by an informal approach to the appropriate member of staff. If that does not achieve the desired result, we have a set of procedures for dealing with concerns.

Aim

We aim to bring all concerns about the running of our pre-school to a satisfactory conclusion for all of the parties involved.

Legal framework

Statutory Framework for the Early Years Foundation Stage

Methods

To achieve this, we operate the following complaints procedure.

How to complain

Stage 1

Any parent who has a concern about an aspect of the pre-school's provision talks over, first of all, his/her worries and anxieties with the Supervisor.

Most complaints should be resolved amicably and informally at this stage.

Stage 2

If this does not have a satisfactory outcome, or if the problem recurs, the parent moves to stage 2 of the procedure by putting the concerns or complaint in writing to the Supervisor and Chair of the management committee. (A form is available if required by the parent). The pre-school stores written complaints from parents in the child's personal file unless a detailed investigation is required, in which case a separate file, designated for this complaint is created.

When the investigation into the complaint is completed, the Supervisor meets with the parent to discuss the outcome.

When the complaint is resolved at this stage, the summative points are logged in the complaint summary record.

Stage 3

If the parent is not satisfied with the outcome of the investigation, he/she requests a meeting with the Supervisor and Chair of the management committee. The parent should have a friend or partner present if required and the Supervisor should have the support of the Chair of the management committee.

An agreed written record of the discussion is made as well as any decision or action to take as a result. All of the parties present at the meeting sign the record and receive a copy of it.

This signed record signifies that the procedure has concluded. When the complaint is resolved at this stage, the summative points are logged in the complaint summary record.

Stage 4

If at the Stage 3 meeting the parent and the pre-school cannot reach agreement, an external mediator is invited to help settle the complaint. The person should be acceptable to both parties, listen to both sides and offer advice. A mediator has no legal powers but can help to define the problem, review the action so far and suggest further ways in which it might be resolved.

Grindleford and Eyam Playgroup will seek support from Derbyshire Early Years Service and the Early Years Alliance.

The mediator keeps all discussion confidential. S/he can hold separate meetings with pre-school personnel (pre-school leader and Chair of the management committee) and the parent, if this is decided to be helpful. The mediator keeps an agreed written record of any meeting that is held and of any advice s/he gives.

Stage 5

When the mediator has concluded her/his investigations, a final meeting between the parent, the pre-school leader and the Chair of the management committee is held. The purpose of the meeting is to reach a decision on the action to be taken to deal with the complaint. The mediator's advice is used to reach this conclusion. The mediator is present at the meeting if all parties feel this will help a decision to be reached.

A record of this meeting, including the decision on the action to be taken, is made. Everyone present at the meeting signs the record and receives a copy of it. This signed record signifies that the procedure has concluded.
